Yeon J. Yue
cc: Mr. Jeiko Soh
Ms. Kaia Jane Abraham

To: Mr. Yeon J. Yue

Thank you for selecting Yoo & Kim LLP to serve as your counsel. The purpose of this engagement letter ("Agreement") is to outline the nature of the engagement and our respective responsibilities and expectations under this Agreement.

1. Scope of the Engagement

We have been asked to represent Yeon J. Yue, Jeiko Soh, and Kaia Jane Abraham (collectively, "you" or the "Founders") in connection with the formation of a corporation to be formed (the "Company"), and the preparation of a shareholder agreement among the Founders. The scope of this engagement is limited to the matters described herein.

This representation includes: (a) forming and incorporating the Company; (b) obtaining a Federal Employer Identification Number (EIN) from the Internal Revenue Service; (c) drafting corporate bylaws; (d) drafting a shareholder agreement among the Founders; and (e) performing other legal work reasonably necessary to accomplish the foregoing business formation matters and shareholder agreement preparation.

Because the Company does not yet exist as a legal entity, our initial client at the outset of this engagement is each of the Founders, solely in connection with the formation of the Company. Upon the Company's incorporation and ratification of this engagement by its board of directors, our representation with respect to the corporate formation matters set forth in subsections (a) through (c) and (e) above shall transition to the Company, which shall thereafter be our sole client for those matters.

This engagement is limited to the business formation services and shareholder agreement preparation described above. Any other legal matters, including but not limited to ongoing corporate governance, employment law, contract negotiations, intellectual property matters, regulatory compliance, tax advice beyond EIN procurement, commercial transactions, litigation, or any other legal services not specifically enumerated above, are specifically excluded from this representation and will require a separate engagement and retention agreement.

We will do our best to serve you efficiently. As such, we may use artificial intelligence in this matter.

The outcome of any matter is subject to inherent risks and other factors beyond our control. Therefore, we have not made, and cannot make, any guarantees or promises concerning the outcome of this matter.

2. Fees

We have agreed that the attorney's fees for this engagement will be a flat fee of $4,000 (the "Flat Fee"), which covers all legal services described in the Scope of Engagement, including the formation of the Company, procurement of the EIN, preparation of corporate bylaws, and drafting of the Shareholder Agreement. The Flat Fee does not include expenses or disbursements, which are addressed in Section 3 below.

Any expansion of the scope of services shall be the subject of a supplementary or separate engagement letter, which defines the scope of such additional services to be performed and the fees to be paid for such additional services.

3. Expenses

In addition to the Flat Fee, you will be responsible for expenses and disbursements incurred in the course of the representation, including state filing fees, printing, photocopying, delivery and courier services, postage, and similar out-of-pocket costs. Expense items incurred on your behalf will be itemized separately on our billing statements and are payable in addition to the Flat Fee.

4. Billing

Invoices will be issued twice each month on (i) the 15th calendar day, or if the 15th is not a Business Day, the immediately preceding Business Day; and (ii) the last Business Day of that month. "Business Day" means Monday through Friday, excluding U.S. federal holidays. Invoices are due upon receipt.

5. Joint Representation and Conflict Waiver

In connection with the preparation of the Shareholder Agreement, the Firm will jointly represent the Founders in their individual capacities as prospective shareholders. The Founders acknowledge and agree that:

1. **Divergent Interests.** The Founders' interests in negotiating the Shareholder Agreement—including equity ownership, vesting, voting rights, transfer restrictions, and buy-sell provisions—may differ or conflict.
2. **No Privilege Among Joint Clients.** No attorney-client privilege exists among the Founders as to communications relating to this joint representation, and information shared by any Founder with the Firm may be disclosed to the others. The privilege is preserved as to third parties.
3. **Withdrawal.** If a material conflict arises that cannot be resolved consistent with the New York Rules of Professional Conduct, the Firm may be required to withdraw from representing any or all of the Founders and may be precluded from representing any Founder in a related dispute.
4. **Informed Consent.** Each Founder's consent to this joint representation is given knowingly and voluntarily and may be revoked in writing at any time, in which case the Firm may be required to withdraw.

6. Termination of the Representation

We have the right to terminate this engagement for good cause, subject to an obligation to give you reasonable notice to permit you to obtain alternative representation and subject to applicable ethical provisions. Good cause means (a) your failure to honor the material terms of the engagement or (b) circumstances where our continued representation would be unlawful or unethical. We will provide reasonable assistance in effecting a transfer of responsibilities to new counsel.

7. Client Documents

During the engagement, we will maintain all documents relevant to this representation. At the conclusion of this engagement, we will retain your original documents for a period of seven (7) years unless you request that they be returned to you. If you have not requested possession of the file or any of its contents at the end of seven (7) years, the file will be destroyed in accordance with our record retention program.

8. Communication

It is important for us to maintain open communication with each other throughout the engagement. We will regularly keep you informed of the status of the matter and will promptly notify you of any major case developments. We will consult with you whenever appropriate.

You agree to communicate with us and provide us with complete and accurate information as needed to further the case. Further, you will timely notify us of any changes in the structure of your organization, changes to the personal information or residence of any individuals related to this matter, or any extended periods of time when you will be unavailable.

9. Cooperation

You will assist and cooperate fully with us with respect to this engagement. In connection with this engagement, you will be available to discuss issues as they arise, comment on and approve draft documents we prepare, and attend and participate in meetings, preparation sessions, court proceedings, and other activities.

You also agree to be truthful and to fully and accurately disclose to us all facts that may be relevant to the matter or that we otherwise may request. You will timely provide any new information that you receive about the matter so that we can represent you effectively.

Please review this letter carefully and let me know if you have any questions or concerns. If you agree to the terms of this letter, please sign it and return it to my attention. You may retain the enclosed copy for your files.

We appreciate the chance to be of service and look forward to working with you.

Very truly yours,

Sungkyun Kim
